Eric Sundwall for Congress

New York's 20th Congressional District - Special Election 2009

Why not Liberty for a Change ?

Your Family, Your Money

Eric Sundwall is an entrepreneur who cares about jobs and excessive taxes in the 20th District. A native of Columbia County, Eric lives with his wife Kathryn and their children, Samuel and Anna, in Niverville, NY. In addition to his community work, Eric is the chairman of the NY Libertarian party.

Real Issues

With Congress making the economic crisis worse with the bail-outs and stimulus to expand big government, Eric will restore the Constitution with the 4 point Independent Platform introduced by Ron Paul, Ralph Nader, Bob Barr, and Cynthia McKinney:

- ★ **Foreign Policy:** With over 700 bases in 130 countries costing over a trillion dollars, we need to bring our troops home.
- ★ **Privacy:** We must protect the privacy and civil liberties of all persons under US jurisdiction and repeal the Patriot Act.
- ★ **National debt:** The burden of debt placed on the next generation is unjust and already threatening our economy and the value of our dollar.
- ★ **Federal Reserve:** We must seek a thorough investigation, evaluation and audit of the Federal Reserve System and its cozy relationships with the banking, corporate, and other financial institutions.
